## Assisting Hands® Clients *are talking...*

"I don't know how I would have made it through the first two weeks after my hip surgery without the help of the caregivers from Assisting Hands®. They gave me the peace of mind of knowing I'd have someone coming by every day to help with post-surgery exercises and get me to appointments. As an added bonus, they helped take care of my cats, did my laundry and helped with other things around the house. If I find myself in a similar situation again, I would certainly turn to Assisting Hands® for help."

– Stacy M.

"I'm very thankful that this company was willing to work with our family and do 24 hour home care with us. They managed to accomplish it with caring, patient and kind caregivers. Thank you for being there for us! I highly recommend this company of caring and giving people."

– Rhonda J.
